WHAT THE MEDIA HAD TO SAY

THE Rock Doctors were the star attraction at a party in the Highwayman Hotel in Kidlington on Sunday night. Funds from the party – £180 so far – were raised for Kidlington Girl Guides, which encourages girls to get involved in anything from adventure sports to performing arts and travel. Landlord Nick Duval said: "We had more than 500 people attend during the day and we haven't got a drop of beer left. It was a special day and the people loved it and are asking us when we going to do it again."
